HOW TO MAKE IT

Instructions for adult:

Step 1: Fill in the Activities

Before folding, write or draw a different activity inside each triangle.

Some ideas include:

- Give Dad a high five.
- Tell Dad one thing you love about him.
- Make Dad laugh.

You can also decorate the outside of the activity catcher with colours, drawings, stickers or Father's Day messages.

Step 2: Cut Out the Square

Carefully cut around the outside edge of the template.

Step 3: Fold the Corners In

Place the template face down and fold each corner into the centre point.

Step 4: Turn It Over

Flip the folded square over so the folded corners are facing down.

Step 5: Fold the Corners In Again

Fold each corner into the centre point once more.

Step 6: Fold in Half

Fold the square in half one way, then unfold.

Step 7: Fold in Half the Other Way

Fold the square in half the opposite way, then unfold.

Step 8: Create Your Activity Catcher

Slide your thumbs and index fingers under the four flaps and gently push the corners together to form the activity catcher shape.
